Our Association

LIVE ART AS AN “ART DE VIVRE”

Since 1986, we have developed our expertise in a very special field: cultural tourism.

Our initial ambition is to live art as an « art de vivre », to lead participants by their hand on our trips and tell them a story: the story of a place, its population, its architecture and its culture in the broadest sense.

Our team of professionals works on demand, adapting and creating tours and tailor-made programs.

Cultural tourism, special events and incentives, marketing and communication to be integrated in your seminar or congress: from the guided tour to your cultural event, Itinéraires answers promptly in (almost) every language.

Each proposal is adaptable to your wishes and the reality of your timing and objective.

1) Guided walking tour

Gateway to the Ardennes, Namur owes its position on a rocky spur at the confluence of the Meuse and Sambre rivers. Namur has been a military stronghold for twenty centuries. Situated on the Roman road linking it to Cologne to Cologne, the town grew up at the foot of the citadel, then the banks of the Sambre and Meuse rivers. Today, Namur is today, in its setting of greenery and rock, a serene and tranquil city where visitors receive the warmest of welcomes.
