LIVE ART AS AN “ART DE VIVRE”

Since 1986, we have developed our expertise in a very special field: cultural tourism.

Our initial ambition is to live art as an « art de vivre », to lead participants by their hand on our trips and tell them a story: the story of a place, its population, its architecture and its culture in the broadest sense.

Our team of professionals works on demand, adapting and creating tours and tailor-made programs.

Cultural tourism, special events and incentives, marketing and communication to be integrated in your seminar or congress: from the guided tour to your cultural event, Itinéraires answers promptly in (almost) every language. Each proposal is adaptable to your wishes and the reality of your timing and objective.

Brussels, Capital of Europe

Brussels, the most beautiful gateway to Europe: twists and turns around the European Parliament will take us through the history of Berlaumont and its successive relocations, to discover some architectural gems or the remnants of the megalomaniac road projects of the 60s... From the Léopold district, a European city, to Place Jourdan, we'll show you how Europe came to be located in the heart of the capital, its impact on housing and the general appearance of the district. We'll tell you all about Europe's new home. Finally! Who does what, where and how?

Practical information:

Duration: 2h

Outdoor tour of the European Quarter
