

LUNCH/DINE AROUND IN BRUSSELS

Each neighbourhood has its own ambiance, its own atmosphere, its own individual character and its specialties... So check out some typical neighbourhoods throughout the city, over a beer, a meal and a dessert. A guided walk that offers a unique opportunity to discover or even rediscover the traditional delicacies of our region, as well as exploring the history of Brussels, together with one of our guides... You will change table companions after each course. An original way to combine a culinary walking-tour with a cultural one.
