LIVE ART AS AN “ART DE VIVRE”

Since 1986, we have developed our expertise in a very special field: cultural tourism.

Our initial ambition is to live art as an « art de vivre », to lead participants by their hand on our trips and tell them a story: the story of a place, its population, its architecture and its culture in the broadest sense.

Our team of professionals works on demand, adapting and creating tours and tailor-made programs.

Cultural tourism, special events and incentives, marketing and communication to be integrated in your seminar or congress: from the guided tour to your cultural event, Itinéraires answers promptly in (almost) every language. Each proposal is adaptable to your wishes and the reality of your timing and objective.

Our Animation Possibilities

To immerse your guests in the atmosphere of your events and cocktail receptions, we present a range of entertainment options, from walking entertainers to live music, depending on the theme or key elements of your seminar.

You can count on our expertise to bring Art to life as a living Art de Vivre.

A playful animation by our fake barkers, fake waiters, fake gardeners and/or fake lifeguards next to your water games or a historical/cultural/artistic animation in theme with the venue.

Immerse yourself in a cultural atmosphere during a break for fresh air, a change of setup, at the end of meetings...

We'll be happy to tailor our animations to the key messages, words and concepts you want to convey to your guests.

Please note: prices do not include technical equipment (lighting, sound system, structure, etc.) or space rental.
